

# FOSTER SPECIALTY FLOORS

## SCUFF REMOVAL

Cut two slits into tennis ball and slid onto broom stick.. Dip into cleaner solution and rub over scuffs.

## DUSTING WITH FRINGE PAD

Attach fringe pad and walk up and down the floor overlapping eachother.

## SHAKE OFF PAD

Shake or dust off the pad every couple passes up and down the court.

## CLEAN UP DUST

Using a dust pan to clean up all of the dust on the floor.

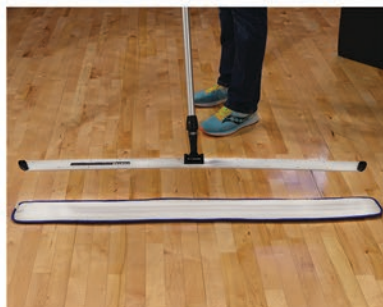

## MIXING CLEANER

Using a ratio of 10:1-20:1 or 1/4 - 1/3 a gallon of Foster Specialty Cleaner to 4 gallons of water.

## RINSE & WRING PAD

Plunge pad into cleaner/water mixture several times and wring thouroughly.

## ATTACH PAD

Spread pad on floor and push mop head down onto the pad.

## DAMP MOP (2 PEOPLE)

Push 1 damp mop up and down the floor. Follow behind with dry mop to dry up excess moisture and prevent water spots. Best completed with 2 people.

## RINSE & WRING

Rinse and wring pad after every couple passes up and down the court.
